EDUCATION

University of Oklahoma Fall 2024 – Present
Ph.D. in Computer Science (GPA: 4.0/4.0) Norman, OK

University of Tehran Aug. 2023
B.Sc. in Computer Engineering (GPA: 3.7/4.0) Tehran, Iran

EXPERIENCE

University of Oklahoma Fall 2025 – Present
Teaching Assistant – Java Programming Norman, OK

- Led lab sessions and graded programming assignments for an undergraduate Java course.
- Supported students with OOP concepts, debugging, and Eclipse development.

University of Oklahoma Fall 2024 – Summer 2025
Research Assistant Norman, OK

- Conducted research on large language models (LLMs), transfer learning, and multimodal AI.
- Co-authored multiple works-in-progress, including surveys on transfer learning and LLMs.

University of Tehran Sep. 2022 – Dec. 2022
Teaching Assistant – Logical Circuits Tehran, Iran

- Assisted in grading, preparing assignments, and supporting lab sessions.

Independent Sep. 2021 – Sep. 2022
Private Tutor (Mathematics & Physics) Tehran, Iran

- Taught high school and undergraduate students in mathematics and physics.

RESEARCH & PUBLICATIONS

IEEE BigData 2024: Smartphone Usage Data Cleaning Using LLM-Based Processing Accepted (2024)
• Accepted at IEEE BigData 2024.

OnRL-RAG: Real-Time Personalized Mental Health Dialogue System 2024
• Developed a real-time personalized dialogue system using retrieval-augmented generation.

In Progress: Surveys on Transfer Learning / LLMs / AI-Driven Applications 2025
• Surveys on transfer learning for generative AI, LLMs for model-centric AI, and AI-driven applications.

PROJECTS

Knowledge Graph Alignment via Neural Networks
American Sign Language Recognition Using Machine Learning

SKILLS

Programming : Python, Java, C++, R
Frameworks/Tools : PyTorch, Eclipse, Trello, $\LaTeX$
